

Medi-Cal Rx Public Forum meeting – February 18, 2020

Please mark your calendars for the **February 18, 2020**, Medi-Cal Rx Public Forum, which will be held in the Department of Health Care Services (DHCS) Auditorium at 1500 Capitol Avenue in Sacramento, California. This will be the third meeting in a series of meetings that began in July 2019 and will continue throughout 2020. The meetings are related to DHCS' ongoing stakeholder engagement efforts for the Governor's Executive Order N-01-19, which requires DHCS to, in part, transition pharmacy services for Medi-Cal managed care to fee-for-service (FFS) by January 1, 2021.

All interested organizations and entities, including hospitals, clinics, health plans, counties, pharmacies, tribal health programs, and consumer advocates, are invited to participate in the one-hour forum either in person or via webinar. During this meeting, DHCS will provide status updates to help ensure that the broader stakeholder community is kept up to date about Medi-Cal Rx implementation activities and timelines. Please note that DHCS will only take questions and comments from those participants attending in person.
